Clause-5:- in any case in which any of the powers conferred upon the Incharge Engineer by Clause-S and 4 thereof shall have become exercisable and the same shall not have been exercised the non-exercise thereof shall not constitute a waive or any of the conditions hereof shall not constitute a waive or any of the conditions hereof and such powers shall notwithstanding by the contractor.

***Power to take possession
of or require removal of or
sell contractors plant.***

.....
This will be the same percentage as that in the tender at (e)
The amount of this percentage (not exceeding 10 percent) will be fixed in every case to suit requirements, e.g. if it is fixed as 8 percent of the estimated cost of the work then 3 percent should be deducted from every payment, if the percentage is fixed 10 percent and the security deposit only amount to 6 percent should be deducted and so on for which under any clause or clauses hereof in declared liable to pay compensation amounting to the whole of his security deposit and the liability of the contractor for past and future compensation shall remain unaffected. In the event of the Incharge Engineer taking action under sub clause (a) or (c) of Clause 3, he may if he so desires, take possession of all or any tools plants, materials and stores in or upon the works, of the site thereof or belonging to the contractor or procured by him and intended to be used for the execution of the work or

any part thereof, paying or allowing for the same in account at the contract rate, or in the case of contract not being applicable, at current market rate, to certified by the Incharge Engineer in consultation with the consultants whose certificate thereof shall be final. In the alternative the

Incharge Engineer may, after giving notice in writing to the contractor or his clerk of the work foreman or other authorized agent require him to remove such tools, plant materials or stores from the premises within a time to be specified in such notice and in the event of the contractor failing to comply with any such requisition, the Incharge Engineer may remove them at the contractor's expenses or sell them by action or private sale on account of the contractor and at his risk and costs in all respects, the certificate of the Incharge Engineer in consultation with the consultants as to the expenses of any such removal and the amount of the proceeds of any expenses of the such be final and conclusive against the contractor.

Extension of time:

Clause 6:- if the contractor shall desire an extension of the time for completion of the work on the ground of his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Project Director within 30 days from the date on which the ground for asking for extension arose and in any case before date of completion of the work, and are Project Director may, if an opinion there are reasonable grounds for granting an extension grant such extension as he deems necessary or proper. The decision of the Project Director in this matter shall be final.

Provided that where the contractor is hindered in the execution of the work on account of any act or omission on the part of the *Shaheed Mohtarma Benazir Bhutto Medical University, (SMBBMU) Larkana.*

Or its authorized officers, the Project Director may at any time before the date of completion and on his own initiative extend the time for completion of the work for such period as he may deem necessary or proper.

Where time has been extended under this or any other clause of this agreement the date for completion of the work shall be the date fixed by the order giving the extension or by the aggregate of all such order made under this agreement.

When time has been extended as aforesaid, it shall continue to be the essence of the contract and all clauses of the contract and all clauses of the contract shall continue to be operative during the extended period.

Clauses-7:- on completion of the work the contractor shall to furnished on the recommendation of the consultants with a certificate by the Incharge Engineer/Sub ordinate Incharge (hereinafter called the Engineer Incharge) of such completion, but on such certificate shall be given nor shall the work be considered to be complete until the contractor shall have removed from premises on which the work shall

have been cleaned of the dirt from all woodwork doors, windows wells, floors, or other parts of any building in or upon which thee work has been executed, or of which he may have had possession for the purpose of executing the work nor until I the work shall have been checked by the Engineer Incharge or the measurements have been taken by The contractor has received the approval of the consultants. The said measurements being biding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to the removal of scaffolding surplus materials and rubbish and cleaning on date fixed for the completion of the work Engineer in charge, may at the expense of the contractor remove such scaffolding, surplus material and rubbish and dispose of the same as he thinks fit and clean of such dirt as aforesaid, and the contractor shall forthwith pay the amount of all expense so incurred, but shall no claim in respect of any such scaffolding or surplus materials as aforesaid except for any sum actually realized by the sale thereof.

Payment of intermediate Certificate to be regarded As advances.
