## Proforma: 3

## **Survey of Graduating Students**

(To be filled out by graduating students in last semester / year before the award of degree)

The survey seeks graduating students' input on the quality of education they received in their program and the level of preparation they had at university. The purpose of this survey is to assess the quality of the academic programs. We seek your help in completing this survey.

| A: Ver  | ry satisfied  | B: Satisfied            | C: Uncertain            | D: Dissatisfied       | E: Very dissatisfied |  |  |  |  |  |  |
|---|---|-------------------------|-------------------------|-----------------------|----------------------|--|--|--|--|--|--|
| 1. The work in the program is too heavy and induces a lot of pressure |   |                         |                         |                       |                      |  |  |  |  |  |  |
|   | А   | В                       | С                       | D                     | E                    |  |  |  |  |  |  |
| 2.  | The program is effective in enhancing team-working abilities.                 |                         |                         |                       |                      |  |  |  |  |  |  |
|   | А   | В                       | С                       | D                     | Е                    |  |  |  |  |  |  |
| 3.  | The program administration is effective in supporting learning.               |                         |                         |                       |                      |  |  |  |  |  |  |
|   | А   | В                       | С                       | D                     | Е                    |  |  |  |  |  |  |
| 4.  | The program is effective in developing analytical and problem solving skills. |                         |                         |                       |                      |  |  |  |  |  |  |
|   | А   | В                       | С                       | D                     | Е                    |  |  |  |  |  |  |
| 5.  | The program is effective in developing independent thinking.                  |                         |                         |                       |                      |  |  |  |  |  |  |
|   | А   | В                       | С                       | D                     | Е                    |  |  |  |  |  |  |
| 6.  | The program is effective in developing written communication skills.          |                         |                         |                       |                      |  |  |  |  |  |  |
